

# Overview

Firmament is a multi-strategy asset manager focused on investing equity and debt in small- and medium-sized enterprises. Firmament focuses on three core industry verticals: The Environment, Technology and Healthcare. Firmament's environmental team makes investments in service, software, and specialty-manufacturing businesses with significant scaling potential. We seek to be a value-added partner to entrepreneurs, management teams, and business owners and curate solutions by deploying versatile capital in a user-friendly way.
