Private Equity Overview

Firmament provides control equity, minority equity and growth debt capital to lower-middle market businesses primarily in three core industry verticals: Automation, Health and the Environment. Within these verticals, we make investments in service, software and specialty-manufacturing companies with significant scaling potential. We seek to be a value-added partner to entrepreneurs, management teams, and business owners, and curate solutions by deploying versatile capital in a user-friendly way.

Investment Capabilities

We target companies with: (i) ARR between \$5 million and \$25 million; (ii) EBITDA between \$1 million and \$20 million; and (iii) enterprise values between \$20 million and \$300 million.
